The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Cache Valley Transit District (CVTD) vehicle maintenance and bus storage facility project in fiscal year 2024. The entity to receive funding for this project is Cache Valley Transit District, located at 754 West 600 North Logan, UT 84321. The funding would be used to fund the final phase of the CVTD vehicle maintenance and bus storage facility project and the construction of a training course for operators. The project is an appropriate use of taxpayer funds because it will significantly leverage state and local dollars to complete a much-needed facility that will extend the fleet's lifespan and improve rural transit operations.

The project has a Federal nexus because the funding provided is for purposes authorized by section 5339 of chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blake Moore
Member of Congress
